EXPERIENCE

Top of Mind Networks, Animation Intern

August 2020 - December 2020

Created personalized animated greeting cards for various holidays and events in HTML format using the Adobe Creative Suite.

Pittsburgh Penguins, Motion Graphics Intern

June 2020 - August 2020

Worked under Manager of Motion Graphics by assisting with the creation of in-game elements, web elements, TV broadcast elements, in-arena assets, and special venue-specific projects.

Invicta Rex Games, Freelance Animator

March 2020 - December 2020

Created 3.5 minute long 3D product visualization animation for the Song of War kickstarter campaign showing gameplay and in-game mechanics.

Things Are Going Great For Me, Motion Designer

August 2020 - October 2020

Created ten 50 second long kinetic typography animations for the podcast "Things are Going Great for Me" using Adobe After Effects.

Cleveland Museum of Natural History, Project Manager

October 2019 - April 2020

Directed and assisted five groups of students to create a twenty minute long animation for the Cleveland Museum of Natural History's planetarium dome.
